

China Connect Your quick connection to Asia

Beat Stadtmann, Senior Pre-Sales Consultant

Secure, ultra-fast connection to Asia

Trust our “Silk Road for data” when you do business with the Far East. Low latency boosts both your productivity and data security. Our Service Management team is at your disposal 24 hours a day, 7 days a week. The Monitoring Portal lets you test ping times at any given time.

The chart shows the impressive latency times between our POP in Zurich West and the POP in Green-recommended data centers in the various cities. Our team would be happy to put together just the right solution for you. Please send us your list of requirements – we look forward to hearing from you! Vertrauen Sie bei Ihren
